

MINUTES OF DIRECTORS' MEETING –1 NOVEMBER 2016

Kate Sabapathy (19)
Rosie Hewson (21)
Tom Smith (22)

David Howes (7) Treasurer and Secretary

		Action
1.	Gardening	
	Tree Work	
1.1	Further to their meeting on 9 October 2016 the Directors resolved that the proposed crown reduction of the London Plane at the western entrance to the green and the work to the sycamores in the lower car park would not be undertaken. All other works covered by the planning application to Greenwich Council – which had now been approved – should be undertaken, including the removal of dead hawthorns on the back access lane.	Gardening committee to advise tree surgeons
	Middle Bed	
1.2	Consultation on the Gardening Committee's proposal had yielded only one objection but that had pointed out that the Scheme of Management required general meeting approval for such planting changes. Directors therefore resolved to convene an EGM as soon as possible to consider the Gardening Committee's proposals.	Secretary
