1.1 Further to their meeting on 15 September 2016 and with reference to item 2.3 in the minutes of that meeting (regarding replanting of the bed opposite no.4), Directors had invited the Gardening Committee to meet with them on 9 October to discuss the quote provided by Seasons on 1 October 2016 (attached).	
1.2 Directors also reviewed and took into account feedback received from residents on the plans.	
1.3 Having given due consideration both to the quote and to the results of the consultation with residents, the Directors resolved to approve the Gardening Committee's proposal and the Seasons quote for the work.	Gardening Committee
