Others present:

David Howes (7) Treasurer and Secretary

	Action
<p>1. Painting</p> <p>Kate Sabapathy advised that painting was largely complete with the exception of Nos 1 and 2 where painting was awaiting woodwork repairs. Some finishing off including the black plinths was also outstanding for all houses. She understood that No 2 had accepted John Tew's quote for repairs but John was currently on holiday and would resume work on his return. Directors understood that John Tew had also quoted for repairs to No 1 but Directors did not know whether that quote had been accepted.</p> <p>David Howes advised that Mark Helm (No 8) was keen to get the portaloo removed as soon as possible due to the smell.</p> <p>Directors agreed to contact Glews to establish what was their deadline for having repairs to Nos 1 and 2 completed in order to paint them within the current contract price. Then contact owners to advise them of that deadline.</p>	<p>Tom Smith</p>
