The quote from Glews for 2017 painting - £30,612 plus VAT

The 6 people present plus the 4 proxies voted to accept the quote from Glews for the 2017 external painting of the Green (quote dated 16th March 2016) of £30,612 plus VAT (in addition to an email approving from number 11). It was agreed that Glews would be booked with an April start if possible. **Individual households will be responsible for supervising the painting of their own houses and garages** and can decide how heavily to attack the woodwork depending on the extent of repairs that are necessary in each case and how much householders can afford. Dick agreed to get in touch with a carpenter who works in the Hall to see whether some householders could get some wood repairs done in advance to speed up the process and prevent delays to the painting. **Individual householders are responsible for organising and paying for their own wood repairs in time for the work to start.** Kate agreed to liaise with Glews about a contract and start date.
